Dear Parents/carers

We hope that you have now all received your offer of school places for your child for September 2020

To help your child prepare for school and to aid a smooth transition for them, we will be contacting the schools over the summer term to invite the Reception teachers to visit Abacus and meet the children.

(subject to updates and advice regarding Covid 19).

We will pass over any relevant documentation we may have regarding your child's progress during their time with us.

Please return the slip below advising us of the school your child is due to attend and to give us permission to pass on their electronic learning journals.

.....

My child..... will be attending

..... School.

- I do/do not give permission for my child's learning Journal or any other relevant information, regarding my child's progress to be passed to the above named School.
- Please delete as appropriate

Signed Parent/Guardian..... Date.....
